Help Wanted – Do you have an interest in IT? Are you willing to use that skill to help in our services? Ian and Ray have been involved with the AV (audio visual) system at church since it was first installed in approximately 2009. Ray does help out when Ian is not available but otherwise the responsibility for liaising with the preacher each week and preparing everything to be projected, has fallen solely to Ian for many years. It is now time for him to hand over the reins. If this is something that you could help with, and want to know more, please speak to Ian. We hope that we can find at least one person to take on this role, but a small team would be even better. ☺

Easter Egg boxes wanted – Please could you save your egg carton (only boxes of 6) for Laura to be used on Easter Sunday? As soon as you have any please let Laura have them. Many thanks.

LMG meets on Monday 3rd Feb 7.45pm in the Warm Hub, Irene will be leading a craft evening entitled 'Buttons, Beads and Butterflies' which sounds really interesting and fun. All ladies welcome.

Church Council Meeting – Our next Church Council meeting will take place on Sunday 9 March following our morning service. Will all members please note the changed date of this meeting. Ali, our church secretary will be in touch shortly to request the usual reports in advance of that meeting.

Men's Prayer Breakfast – Next breakfast will be at 10 am at Fairhaven Methodist Church on 22 February. Please let me know if you are coming. Cheers Stuart
