

This year's Holiday Club will be on the week beginning 10th August. We will be having a meeting to look at the ideas for this on Tuesday 19th May at 7pm in Church. Anyone who would like to help or just wants to know more is most welcome. If you can't make the meeting but would be interested in helping, please let me or Laura know. Katharine

ECO TIPS

Nothing says spring like the buzz of a bee! But these precious pollinators are declining due to habitat loss, climate change and agricultural intensification. **Wednesday 20 May** is **World Bee Day**. Please think about how we can improve habitats for bees and other pollinators.

Here at church, we have our bug hotel. We've also planted some lavender in our new tubs and some mini buddleia bushes in the round bed. Did you know also that the yellow plant,

commonly called poached egg plant which is in that same plot, is good for hoverflies and is pollinated by bees?

We would like to invite you to a party on **Sunday 12 July** following our morning service. Please let us know if you are joining us, so that we know how many to cater for.
